“ *Barbara was the love of my life. We attended my high school senior prom together at Wappinger Central High and continued to date for a period. Barbara was a junior at the time. Very smart, very pretty. I have a long message written by Barbara in my HS year book which I will always cherish.*
God Bless her.

I remember you, Russell. I was in 6th grade but I remember my sister looked like a princess the night of your prom. Thank you for loving her as she did you. Deborah Lutkins
