“ Neighbor and friend in the "Middleton Days." My heartfelt sympathy to the boys and their families. Those times on Washington St. were the good ones.

“ Thinking about the three winters Fred and he stayed in Estero .. Sis and Harry welcomed us with open arms. Welcomed us to their inner circle of friends and invited us to join their bowling team,which I remember we had many laughs I have often thought very fondly of all the fun things we used to do ... Sis was a very warm and open hearted person
