“ Uncle Jimmy - I wish we had more good times together, besides dad, you're the only one I know that could make an entire room laugh with your jokes. You'd light up any room as soon as you walked in, and I'll miss you very much, and when I think of you, I'll smile with much pride. Rest In Paradise My Loving Uncle. I Love You. “ Dad I love you and I will miss you. I did my best to do as you asked but I did change things a little. These last few years together have been great. You and I had many good times and so many conversations about cars and the Mecum auctions. So many memories I'll nevwr forget. You did the best you could and I won't forget it neither will little Jamsey I'll call him that for now on. Rest easy dad you can finally be at peace. I love you Dad I wish I said it more.

“ To the Lloyd family,
We are so sorry to hear of your loss. My family always referred to your Dad as Uncle Jamesy...We always recall great times on Veterans Ave in Everett at Nana's house where Uncle Jamesy was always present and shared great stories and laughs with. My brother and I always refer to those times fondly. We will never forget him for his service to our country, he was a patriot.

Our deepest condolences,

The Coviello Family

Michelle, Charlie, Joseph and my father Dave who always considered Uncle Jamesy

a friend

“ Jim, I'm so sorry about the loss of your dad. Knowing you and your character from MG Fitness, he must have been one of a kind. Though I never had the pleasure of meeting him, I know he was loved by all family and friends. May God Bless you and your family.
