“ Peg, you were so full of life and I want to thank you for all the fun and laughs we had together. Many memories made in a short time together. I love you and miss you so much. I am lost without you, as so many others are as well. Rest in heavenly peace, until we see each other again. 🙏❤️

“ Dear Annie (as Peg always called you) Brian, Keith and family,

I am so sorry for the loss of your dear mom, & grandmother. Peg & I became friends when we worked together on a couple of special ministries at St. Mary's Parish, and our friendship continued these many years.

Peg would attend the 4:00 p.m. Mass each Saturday at St. Mary's for as long as her health would allow her to, which meant a lot to her. She also loved bowling and was so disappointed when she could no longer join her team. She loved her daily walks up and down her street,. In spite of her failing health she never seemed to complain.

I am most grateful for a recent memory with Peg that took place at he end of October when she was still, (with help) able to get into my car and (wearing masks) we took a wonderful ride through Gloucester along the Ocean and how Peg kept saying there is just something about the ocean and how peaceful it is.

I found Peg to be a very caring and devoted wife, mother, grandmother and sister. She loved all of you and she had a beautiful smile that would light up when she spoke about you. May you all be comforted for all the wonderful care you gave to your Mom and grandmother, I know how much she appreciated everything you did for her.

I too will miss you Peg but I believe you are at Peace reunited to all your family who have gone before you!

Love,

Linda Perrino
