“ Jean and family,

George and I are so sorry for your loss. It's so very hard to lose a sibling, and in our experience, takes a long, long, time to work through, but at some point, the happy memories, smiles, etc., take over, and make the pain tolerable.

God bless you all.

George and Sandy Innis

“ My favorite memory of my sister Patty is hanging out in my mom's kitchen and baking cookies and pies from scratch and walking down the railroad tracks to Your Market to get ice cream on hot summer nights. Things were just so simple then. Wish we could do it all again! Miss you and love you. Your sister, Sue
